Why is this Book Vital for Your Living?

Your words carry power; in fact, the Bible tells us that the power of life and death is contained in the tongue, and the tongue speaks forth your words. Your words carry power, but the spoken Word of God carries tremendous power.

A lot of times we like our own will to prevail, but many times that doesn't happen; and even when it does, it is like a short lived lily of the field that gets scorned under the heat of the sun – that's of course unless your words and the Word of God aligns. The Word of God send forth has the ability to produce what it speaks of; and in fact, it is sure to produce results.

Also, the Bible tells us that 'Faith comes by hearing, and hearing the Word of God' – therefore we composed this book with these two things in mind:

1. To speak forth life and have the results of the Word of God. That's a principle thing as seen in Romans 10:9 – *'We are to believe in our hearts and confess with our mouths.'* As sure as this principle brings us into Christ and our salvation in Christ, it is also applicable to our daily Christian life – *'For God has said... so that we may boldly say...'* [Heb.13:5-6]
2. To strengthen us in faith – therefore, as you read the daily AM & PM scripture, together with the daily confession, be sure to sound it out so that you can hear it and be strengthened in faith!
